

# Natural Pet Care

Simple. Effective.  
Powered by Nature

# Hi!

We're kin+kind. We make affordable, natural pet care that works while protecting the planet.

## Natural Works Better

That's why we use simple, organic ingredients that harness the power of nature. That means no unnecessary additives or processing. Our products feel, smell, and work the way nature intended.

### *Safe, Affordable, Effective*

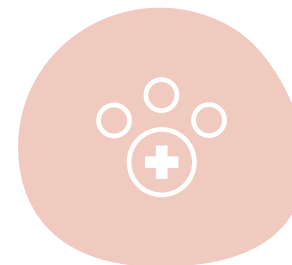

We put pets first, so our talented team includes a vet, formulator, and pet experts who make sure our affordable products are designed to safely and effectively treat pet-specific problems with pet-specific solutions.

### *Hand Mixed in the USA*

Each one of our bottles is lovingly mixed, labeled, and shipped by the hands of our employees paid a responsible, living wage.
