Guidelines for Solutions 1500

- A minimum of two employees must enroll.
- Deductible does not apply to diagnostic and preventive services where applicable.
- A 6-month waiting period applies to simple oral surgery, endodontic, and periodontic services. A 12-month waiting period applies to complex oral surgery, major restorative, prosthetic repairs, and prosthetics. See above for plan details.
- For clients that have had at least 12 months of comparable consecutive coverage, all waiting periods are initially waived. The waiver does not apply to employees/dependents who join the client or enroll for coverage after the initial effective date.
- Annual open enrollment.
- Claims received from dentists outside the Delta Dental network are not eligible for network discounts. Members are responsible for paying the difference between Delta Dental of Minnesota's allowable fee and the fees charged by the non-participating dentist.
